Accumulator	Advanced Mining Machine	Arc Smelter	Artificial Star	Assembling Machine Mk.I	Assembling Machine Mk.II	Assembling Machine Mk.III
						
Automatic Piler	Battlefield Analysis Base	Chemical Plant	Conveyor Belt Mk.I	Conveyor Belt Mk.II	Conveyor Belt Mk.III	Depot Mk.I
						
Depot Mk.II	EM-Rail Ejector	Energy Exchanger	Fractionator	Full Accumulator	Gauss Turret	Geothermal Power Station
						
Holo Beacon	Implosion Cannon	Interstellar Logistics Station	Jammer Tower	Laser Turret	Logistics Distributor	Matrix Lab
						
Mini Fusion Power Station	Miniature Particle Collider	Mining Machine	Missile Turret	Negentropy Smelter	Oil Extractor	Oil Refinery
						

Orbital Collector	Pile Sorter	Plane Smelter	Planetary Logistics Station	Planetary Shield Generator	Plasma Turret	Quantum Chemical Plant
						
Ray Receiver	Re-composing Assembler	Satellite Substation	Self-evolution Lab	Signal Tower	Solar Panel	Sorter Mk.I
						
Sorter Mk.II	Sorter Mk.III	Splitter	Spray Coater	SR Plasma Turret	Storage Tank	Tesla Tower
						
Thermal Power Plant	Traffic Monitor	Vertical Launching Silo	Water Pump	Wind Turbine	Wireless Power Tower
